- It's free to healthcare professionals.
- It's quick. Receive provider explanation of payment (EOP) statements online and claim payments will be made directly to your bank account—five to seven days faster than with paper checks.

Not the decision-maker for your organization? Forward this notice to the appropriate contact who will appreciate ways to save time and increase efficiency.

EPS is fast, easy and secure.

- Providers are notified by e-mail the day deposits are made. No more time (and gas) wasted on trips to the bank to make deposits.
