

Clear Value with Medica

Overview

Clear Value with Medica is an innovative collaboration between Hennepin Healthcare and Medica, delivering high-quality care with a coordinated approach between insurance coverage and patient care delivery. Clear Value with Medica is an open-access product that utilizes the Clear Value with Medica network. No referral is needed to see participating Clear Value with Medica providers. Members can also access non-Clear Value providers, but may have higher deductibles and out-of-pocket expenses than for in-network providers. To verify which providers are included in this product's network, [see the provider directory on Medica.com](https://www.medica.com).
