

Elevate by MedicaSM Fact Sheet

Overview

Elevate by MedicaSM is an accountable care system product being offered in the Individual and Family Business (IFB) market in Nebraska and Iowa. The network features Methodist Health System, Nebraska Medicine and Bryan Health providers. No referral is needed to see in-network specialists. Members do not have benefits for out-of-network providers.

To verify which providers are included in this product's network, [see the provider directory on Medica.com](https://www.medica.com).

Note: All IFB members have been issued a new ID card for 2024. Group/Policy numbers changed from "IFB" to an alpha-numeric number beginning with C, based on product.
