Member Benefits

- *Freedom and flexibility.* Members choose from any doctor, clinic or facility in the large Medica Choice National network. To get the highest network benefits, members should see network providers.
- *Direct access to specialists.* Members can see any primary or specialty care provider in the Medica Choice National network without a referral. While members don't need a referral to see a specialist, it's best if they to work closely with a primary care doctor to coordinate health care needs.
- *Travel coverage.* Medica Choice National's nationwide network means that members have access to in-network care when they're away from home.
