Member Benefits

- **Freedom and flexibility.** Members choose from any doctor, clinic or facility in the large Medica Choice National network. To get the highest network benefits, members should see network providers.
- **Direct access to specialists.** Members can see any primary or specialty care provider in the Medica Choice National network without a referral. While members don't need a referral to see a specialist, it's a good idea to work closely with a primary care doctor to coordinate health care needs.
- **Travel coverage.** Medica Choice National's nationwide network means that members have access to in-network care when they're away from home.
