

## VantagePlus with Medica

**Overview:**

M Health Fairview and North Memorial collaborated with Medica to create VantagePlus With Medica<sup>SM</sup>. VantagePlus with Medica has been available for large groups since 2017 and small groups since 2018, offering convenient access to a broad network of providers. VantagePlus with Medica, one of the largest accountable care organizations (ACOs) in Minnesota, features an integrated member experience, a commitment to clinical quality and a focus on delivering cost-effective health care. No referral is needed to see in-network providers. Members can also access non-network providers but may have higher deductibles and out-of-pocket expenses than for in-network providers. To verify which providers are included in this product’s network, [see the provider directory on medica.com](http://www.medica.com).

NOTE: Sample cards do not reflect the format of the production Group number, which is a 5-digit number.
