

VantagePlus With Medica Accountable Care System Product Fact Sheet

Overview:

M Health Fairview and North Memorial have collaborated with Medica to create VantagePlus With MedicaSM. VantagePlus with Medica has been available for large groups since April 1, 2017. (This product was available to small groups as of January 1, 2018.)

These award-winning health care systems have partnered to offer convenient access to a broad network of providers. VantagePlus with Medica, one of the largest accountable care organizations in Minnesota, features an integrated member experience, a commitment to clinical quality and a focus on delivering cost-effective health care. No referral is needed to see in-network providers. Members can also access non-network providers but may have higher deductibles and out-of-pocket expenses than for in-network providers.
