

Provider Directory and Subdirectory Questionnaire

Purpose:

Section 438.10 of the Managed Care Federal Regulation issued on November 13, 2020, requires providers who provide health care services to Minnesota Health Care Programs (MHCP) members enrolled in a Managed Care Organization (MCO) must include a provider's cultural and linguistic capabilities and accessibility for people with disabilities. You may receive multiple letters if you have more than one location or specialty combination.

Summary of Actions Required:

Please respond for each office location **no later than November 4, 2022**, using one of three options.

1. Online (*preferred method*): access www.Medica.com > Providers > Electronic Transactions > Provider Demographic update Online Tool ([PDOT](#))

Or

2. Email: scan completed and signed form and email to ADA/CC@medica.com

Or

3. Mail: Medica Health Plans
Attn: ADA Compliance
Mail Route CP425
PO Box 9310
Minneapolis MN 55440-9310

Please direct your questions to the Medica Service Center at 1-800-458-5512.

***Your response will be read by an Optical Character Recognition System.*

*Please mark your answers clearly.***

Medica has auto populated your location information with what is currently in our system. If there are discrepancies with the data please access www.Medica.com > Providers > Electronic Transactions > Provider Demographic update Online Tool ([PDOT](#)) to submit changes.

Clinic/Facility Name: «CDS_Site_name»–«CDS_Specialty»
Clinic Location Address: «Address»
City, State Zip Code: «City», «State» «ZIP»«Zip4»
Directory Phone Number: «Phone_Number»

Website URL: «Provider_Website»

Cultural Competency:

Cultural and linguistic competence is the ability of managed care organizations and the providers within their network, to provide care to recipients with diverse values, beliefs and behaviors, and to tailor the delivery of care to meet recipients' social, cultural, and linguistic needs. The ultimate goal is a health care delivery system and workforce that can deliver the highest quality of care to every patient, regardless of race, ethnicity, cultural background, language proficiency, literacy, age, gender, sexual orientation, disability, religion, or socioeconomic status.

Have the staff in your office completed Cultural Competency Training? Yes No

Cultural Capabilities/Specialties:

Cultural capabilities/specialties include cultural awareness, cultural safety and cultural competence offered by health care providers to better adapt and serve members' backgrounds, values, and beliefs to meet social, cultural, and language needs.

Do any staff in your office possess the following cultural capabilities (select all that apply)?

Cultural Awareness
Cultural Safety
Cultural Competence (Always select if you answered Yes to Cultural Competency Training)

Accessibility:

The following provider types do not need to complete the accessibility portion of this questionnaire:

- Home Health
- Personal Care Assistance (PCA)
- Nursing Homes
- Home and Community Based Services (HCBS)
- Transportation

The Americans with Disabilities Act (ADA) requires public accommodations to take steps to ensure that persons with disabilities have equal access to their goods and services.

For example, the ADA requires public accommodations to make reasonable changes in their policies, practices, and procedures; to provide communication aids and services; and to remove physical barriers to access when it is readily achievable to do so. For more information please access: <https://www.ada.gov/> .

Is your office, parking, entry ways, and other relevant space, accessible by people with disabilities? Yes No
Are your office exam rooms accessible by people with disabilities? Yes No
Does your office have equipment accessible by people with disabilities? Yes No

Please provide a contact name and phone number in case of questions about the responses to this questionnaire:
